

Souhila ELOUAD

Senior Construction Contract Manager

Email: souhila.elouad@hotmail.fr | Phone: +32 491 99 46 55

Address: Rue As Pois 8B, Tournai 7500, Belgium

Professional Profile

Civil Engineer specialized in construction and public works, with 14 years of experience in managing large-scale projects, contract administration, and quality assurance (ISO 9001). Highly motivated, proactive, and flexible, with expertise in project planning, risk management, and stakeholder coordination. Currently available and seeking a new challenge to contribute my expertise to major infrastructure projects in the Middle East.

Key Skills

- Large-scale project management & quality control
 - Contract negotiation, administration, and compliance
 - Risk assessment and mitigation
 - Integrated Management Systems (IMS)
 - Software: MS Office, AutoCAD 2D/3D, BIM, MS Project, SAP2000, ANSYS
 - Project estimation, planning, monitoring, and reporting
-

Professional Experience

Senior Construction Contract Manager | TUC Rail, Belgium

Nov 2022 – Present

- Manage railway construction contracts, ensuring compliance with technical specifications, timelines, and budgets.
- Coordinate contractors, suppliers, and stakeholders, resolving contractual issues efficiently.

- Prepare and negotiate contract amendments, variations, and claims.
